

# WINDSHIELD CLEANING CHECKLIST

Aircraft windshields are made of Acrylic and Scratch *easy*.

## DON'T USE

- WINDEX
- PAPER TOWELS
- DIRTY SHOP RAGS

## DO USE

- PLEXUS – A product specifically designed for cleaning plastic
- CLEAN RAG ONLY
- RAG MUST BE OF COTTON OR MICROFIBRE
- LOTS OF WATER WITH DISHWASHING LIQUID if no cleaning product available

## PROPER MOTION

Rub the surface **UP** and **DOWN**

**DO NOT RUB IN A CIRCULAR WIPING MOTION**

This motion creates a halo and reduces visibility
