

Hangar #2, Yorkton Airport
P.O. Box 1604 Yorkton Saskatchewan S3N 3L2

Aircraft Maintenance Engineer – Electronics (AME-E)

Regina, Saskatchewan | Full-Time | Permanent

Join Our Team in Regina

Yorkton Aircraft Service Ltd. is growing — and we're looking for a licensed AME-E to join and strengthen our Regina AMO location. This is an exciting opportunity to work within a collaborative team environment while supporting the continued growth of our avionics and electronics capabilities. We serve General Aviation and light commercial aircraft and pride ourselves on safety, professionalism, teamwork — and having fun while we do it.

Why You'll Love This Role

- Work within a growing AMO with strong leadership and support.
- Develop and expand your avionics expertise across diverse aircraft platforms.
- Receive Aircraft Certification Authority (ACA) aligned with your experience.
- Collaborate with engineers, apprentices, and our Parts Department.
- Work with respected industry brands, including Garmin, uAvionix, Aspen, Avidyne and many more.
- Support customers directly and become a trusted avionics resource.
- Be part of a company focused on growth and continuous improvement.

What You'll Be Doing

- Install aircraft instruments and avionics components per approved data.
- Perform inspections, troubleshooting, maintenance, upgrades, and repairs.
- Conduct functional testing to ensure compliance and safety.
- Certify maintenance releases within your ACA scope.
- Mentor and guide unlicensed personnel.
- Maintain accurate maintenance documentation per Canadian regulations.
- Shift priorities to support unscheduled maintenance when required.
- Monitor tooling condition and calibration records.
- Participate in production meetings as required.
- Represent the company professionally on-site and at customer locations.
- Maintain a clean, organized, and safety-first work environment.

What We're Looking For

- Current Transport Canada AME-E License.
- Strong troubleshooting and critical thinking skills.
- Ability to work independently and as part of a team.
- Strong mechanical aptitude and attention to detail.
- Computer proficiency.
- Excellent English communication skills.
- Commitment to safety and regulatory compliance.
- Positive, team-oriented mindset with leadership capability.

Schedule & Compensation

- Monday – Friday, 8:00 AM – 5:00 PM
- Based in Regina, SK with occasional travel to Yorkton, SK
- Competitive salary – willing to negotiate based on experience
- Full-time, permanent position

Benefits

- YAS branded clothing and annual clothing allowance.
- Employer-paid Health & Dental benefits after probation (employee responsible for life/disability-related coverages).
- Employer-supported training may be available.
- Pension program through Saskatchewan Pension Plan.
- Free parking.
