

Hangar #2, Yorkton Airport
P.O. Box 1604 Yorkton Saskatchewan S3N 3L2

Aircraft Maintenance Engineer (M1)

Regina, Saskatchewan | Full-Time | Permanent

Join Our Team in Regina

Yorkton Aircraft Service Ltd. is growing — and we're looking for a licensed M1 AME to lead our Regina AMO location. This is an exciting opportunity to step into a Team Leader role, working alongside an apprentice and an E-Engineer while helping build and shape our Regina operation.

We serve general aviation and light commercial aircraft. We pride ourselves on safety, professionalism, and teamwork — in a family-oriented company.

Why You'll Love This Role

- Lead a small, service-focused AMO that helps owners protect their aircraft investment.
- Develop leadership and management experience in a growing operation.
- Expand your technical skills across a wide variety of aircraft and systems.
- Collaborate with our larger Yorkton base (6 engineers) for cross-support.
- Be part of a company focused on growth and continuous improvement.

What You'll Be Doing

- Lead daily operations of the Regina AMO.
- Mentor and train an apprentice.
- Perform scheduled and unscheduled maintenance on GA and light commercial aircraft.
- Maintain and inspect Continental and Lycoming engines.
- Assist with installation and servicing of electronic systems.
- Work closely with the DOM and Production Manager
- Maintain a clean, organized, and safety-first work environment.
- Deliver exceptional customer service to aircraft owners and operators.

What We're Looking For

- Licensed M1 AME (required).
- ACA experience.
- Strong troubleshooting and diagnostic skills.
- Ability to work independently and lead a small team.
- Safety-first mindset.
- Excellent English communication skills.
- Customer-service oriented.
- Physically capable of performing AME duties.
- Thrives in a smaller shop environment and takes pride in high-quality work.

Schedule & Compensation

- Monday – Friday, 8:00 AM – 5:00 PM
- Competitive pay, based on experience
- Full-time, permanent position

Benefits

- YAS branded clothing and annual clothing allowance.
- Employer-paid Health & Dental benefits after probation (employee responsible for life/disability-related coverages).
- Employer-supported training may be available.
- Pension program through Saskatchewan Pension Plan.
- Free parking.
