

Join Our Team as an AME in Regina, Saskatchewan!

Are you looking to work in a smaller AMO where you can make a real difference every day? Yorkton Aircraft Service Ltd. is looking for a passionate and skilled Aircraft Maintenance Engineer (AME) to join our dynamic team at our Regina base. This is a **full-time, permanent role** offering you the opportunity to make a real impact in the aviation industry while working with a team that values safety, professionalism, and fun!

Why You'll Love This Job

- Work with a **service-focused AMO** that helps pilots and operators stay airborne and succeed.
- Hands-on experience with **General Aviation** and **light Commercial aircraft**, including Garmin installations as an official dealer.
- A fast-paced, ever-changing environment where no two days are the same.
- Collaborate with a team that takes safety and client satisfaction seriously while enjoying what they do.

What We're Looking For

- **Licensed AME** (college diploma or completed apprenticeship required).
- Strong teamwork, safety-first mindset, and excellent English communication skills.
- A professional who thrives in a dynamic setting and consistently delivers high-quality results.

What You'll Be Doing

- **Mentor and guide apprentices** as they grow their skills.
- Maintain/inspect **Continental and Lycoming engines**; conduct scheduled and unscheduled maintenance on aircraft.
- Install and service **electronic systems** under the guidance with our E-engineer;
- Work closely with our DOM and Service Director.
- Plan and execute projects to meet customer needs.
- Maintain an organized, clean and safe work environment.

What You Need

- ACA experience.
- Strong troubleshooting skills.
- Ability to work independently.
- Customer service skills.
- A commitment to maintaining the highest standards of safety and quality.
- Physical ability to perform all AME related duties and tasks.
- Excellent English communication skills.

Schedule & Compensation

- **Monday – Friday, 8 AM – 5 PM**
- Competitive pay, based on experience.

About Us

Yorkton Aircraft Service Ltd. is a growing company specializing in aircraft maintenance and product support. We proudly serve clients across Canada and work with top suppliers worldwide. Our current focus is on building our Regina location, now is a great time to get involved. We're serious about safety and service—but we make sure to have fun doing it!
